Ms. Doris Burns

Dear Ms. Burns:

Thank you for your letter and the enclosed clipping which I had not seen previously.

I do not believe that there is any connection with the Vernon A. Walters of Timpson. I was born in New York City and my father came from England. I served in North Africa and Europe during World War II.

During my military career I ran across another Vernon A. Walters. He was a lieutenant (so was I at that time) and he was from Colorado. We were not able to find any common relatives.

Thank you for taking the trouble to write me.

With every good wish,

Faithfully,

Vernon A. Walters  
Lieutenant General, USA

Lt. General Vernon A. Walters  
Reguly Director of C.I.A.  
Washington, D.C.

Dear General Walters:

Enclosed is a clipping which recently appeared in the Houston Chronicle concerning your address in Los Angeles, which was of much interest to me.

During World War II  
Vernon A. Walters, a native of  
Jimpson took Basic Training  
at Burksdale Field in nearby  
Shreveport, La. about 1940 and  
went overseas as a Sergeant.  
He later became a  
Japanese prisoner of war and

reportedly died June 2, 1942 at  
Camp O'Connell, Manila  
Philippine Islands.

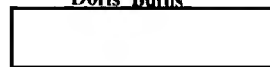

After being declared dead  
his remains were not brought  
back to Limpsun until 1948-  
or 1949. His father died in  
1963 and his mother moved to  
Hacogdoches, Texas several years  
ago. There are no other  
survivors and my dates may  
not be exactly accurate.

I have lived away from  
Limpsun 25 years, being there  
only on short visits. Reading  
this article has caused  
me to wonder if you by  
chance <sup>you</sup> could be the same  
Vernon A. Walters. I  
have read and heard of  
many cases of missing

231. Identity and would  
this be such a one??  
My mind would be  
at ease to know if you  
could enlighten me, Sir,  
concerning Vernon A. Walters.

Sincerely yours,  
Doris Burns
